

## Directions to HMS Excellent

### Travelling from the M27

HMS Excellent is also called Whale Island and is immediately adjacent to the Continental Ferry Port.

Approach Portsmouth on the M27 and M275. Once on the M275 leave the motorway at the first exit. This is sign-posted to the Continental Ferry port. It is also sign-posted WHALE ISLAND.

Proceed around the roundabout (which takes you under the motorway) following the signs for the ferries. Take the fourth exit and turn immediately right into Whale Island Way. Follow the road around and over the bridge to the security gatehouse.
