

## VT Flagship at a glance

### Overview

VT Flagship has a unique partnering agreement with the Royal Navy covering its training schools and establishments. This agreement enables VT Flagship to market the Royal Navy's extensive training capabilities to military and maritime customers and to industry as a whole. All training is delivered by Royal Navy personnel, or Flagship personnel working to Royal Navy standards

VT Flagship also supports the Royal Navy with a wide range of solutions, including training technology, training support, facilities management and construction services

### Our People

VT Flagship employs over 1,700 people and is an 'Investor in People' accredited organisation

### Our Financial Strength

VT Flagship is part of VT Group's Education and Skills business - the UK's largest education and training company. VT Flagship's annual revenue in 2007/08 exceeded £157 million.
